

Team of Eye Doctors in New Jersey Adds Optometrist to Practice

Outlook Eyecare, a Princeton ophthalmology practice with locations in Monroe and the Hamilton area, has added optometrist Dr. Elisa Bano to its team.

PRINCETON, NJ, USA, June 14, 2015 /EINPresswire.com/ -- Outlook Eyecare (www.outlookeyecare.com), a Princeton-based ophthalmology practice with locations in Monroe and near Hamilton, recently brought on optometrist Dr. Elisa Bano in order to serve more patients at the growing practice.

Dr. Bano says she is excited about the opportunity to join the talented team of eye doctors and opticians, which has operated in Princeton and nearby New Jersey communities for years.

"The doctors here have established themselves as some of the leading eye care specialists in the field, and they are highly respected by the medical community," Dr. Bano says. "To be part of Outlook Eyecare is an honor, and I'm so pleased to work with such a reputable practice."

Dr. Wayne Grabowski, Outlook's founder, says Dr. Bano is an impressive addition to the group.

"We've set high standards for our employees, and Dr. Bano exceeds those," he said. "She's already impressed both us and our patients with her depth of insight and warmth around the office. She's a wonderful addition to our growing practice."

[Dr. Bano graduated](#) from Boston University in 2006 with a Bachelor of Science in biology and a minor in international relations. She earned her doctorate in optometry in 2012 from the Pennsylvania College of Optometry and completed a post-doctoral residency at The Eye Institute in Philadelphia in 2013.

She joined Outlook Eyecare after gaining extensive experience in the diagnosis, treatment, management, and co-management of ocular disease, including diabetes, glaucoma, macular degeneration, and ocular emergencies.

A member of the American Optometric Association, Dr. Bano says she enjoys staying up to date with advances in the eye care industry and working directly with patients to find solutions that improve their lives.

"My favorite thing about practicing optometry is when I give patients immediate gratification," she says. "Not many other healthcare professionals have the luxury to offer such quick results."

Dr. Bano specializes in a variety of contact lens fittings, including ectasia and keratoconus that can occur after [LASIK](#) or laser eye surgery. Primarily serving the community in Hamilton, NJ, she will also see patients from Monroe and Princeton.

A resident of Philadelphia, Dr. Bano spends her time away from the practice with family and loved ones. Fluent in Albanian and Italian, she enjoys learning about other cultures, which includes traveling

and sampling cuisines from other parts of the world.
