

Upper West Side Manhattan Dentist Reuven Mohl DDS Celebrates 10 Years Of Creating Beautiful Smiles

MANHATTAN, NEW YORK, UNITED STATES, June 15, 2015

/EINPresswire.com/ -- Dr. [Reuven Mohl](#) DDS, of West Side Gentle Dental PC, a [cosmetic](#) and family dental office conveniently located on the Upper West Side of Manhattan, New York is celebrating 10 years of creating beautiful smiles on West 90th Street.

Dr. Reuven Mohl and his entire team is dedicated to providing his patients with the personalized, gentle care that they deserve.

Part of Dr. Mohl's commitment to serving his patients includes providing information that helps them to make more informed decisions about their oral health needs.

The website www.westsidementaldental.com contains many interactive features including educational videos that help patients make better informed decisions about their oral health. The website is very user-friendly which helps patients search relevant information about procedures that Dr. Reuven Mohl offer.

The office has digital x-ray that displays instantaneously on the monitors for immediate review. There are also TV monitors to watch during procedures.

Some exciting life-changing cosmetic procedures that are performed in this office are Invisalign (invisible braces) and Lumineers (laminates with minimal to no tooth reduction). An important and necessary oral cancer exam by Vizilite Plus is also being performed on patients 18 years and older. These procedures secure the health and beauty of our patients.

Dr. Mohl can help correct snoring and poor sleeping patterns with the use of oral appliance therapy.

Implants are placed and restored in his dental office by a board certified periodontist. This offers convenience to patients because they do not have to visit other dental professionals to have this done elsewhere.

Dr. Reuven Mohl also offers a wide array of services, including porcelain veneers, teeth whitening, cosmetic bonding and contouring, and Invisalign orthodontics. He also provides routine dental services such as white dental fillings, root canals, crowns, and sealants. Cleanings can be scheduled

with their hygienist.

Dr. Reuven Mohl's personal commitment is, "to offer the highest quality dentistry in a comfortable and relaxing environment."

Dr. Mohl completed his Doctorate of Dental Surgery from New York University College of Dentistry. He then completed a General Practice Residency program at Woodhull Hospital in Brooklyn, New York.

Attending continuing education courses each year enables Dr. Mohl to provide the best care and service and keep up with the latest advances in dentistry.

Dr. Mohl is a full member of the American Dental Association. Dr. Mohl is also a member of the American Academy of Dental Sleep Medicine.
