

Tenth Annual Flash Memory Summit Registration is Live

World's Largest Solid State Conference Scheduled August 11-13, 2015 at the Santa Clara Convention Center

SANTA CLARA, CA, USA, June 16, 2015 /EINPresswire.com/ -- World's Largest Solid State Conference Scheduled August 11-13, 2015 at the Santa Clara Convention Center.

Conference ConCepts today announced registration is live for the Flash Memory [Summit](#), the world's largest conference dedicated to Flash Memory and its applications. Flash Memory technology is necessitated by higher definition in video and mobile computing and is predicted to become the number one storage source in the enterprise data center.

Flash Memory Summit 2015 showcases the latest in flash memory design with over 10 simultaneous tracks and 14 keynote speakers. The 2015 keynote speaker line up features the industry's flash memory leaders including Samsung, SanDisk, PMC, Toyota, Micron, Oracle, Tegile, SK Hynix, Toshiba, Kaminario, and Diablo Technologies.

Flash Memory Summit, produced by Conference ConCepts, celebrates its 10th anniversary and anticipates its largest audience to date, over 5,000 registrants. Vendors interested in exhibiting, please contact Alan Land at 1.760.212.5718 or Sales@FlashMemorySummit.com.

About the Flash Memory Summit

Flash Memory Summit, August 11-13 at the Santa Clara Convention Center, produced by Conference ConCepts, showcases the mainstream applications, key technologies, and leading vendors that are driving the multi-billion dollar non-volatile memory and SSD markets. FMS is now the world's largest event featuring the trends, innovations, and influencers driving the adoption of flash memory in demanding enterprise storage applications, as well as in smartphones, tablets, and embedded systems.
