

Parents Helping Parent with WRASK IT™

WRASK IT™ Parent's Edition allows parents, nannies, and expecting mothers and fathers to ask anonymous question.

NYC, NY, UNITED STATES, June 15, 2015 /EINPresswire.com/ -- WRASK Inc, has announced today, their public release of WRASK IT™ Parent's Edition, an IOS and ANDROID application for parents. The Parent's Edition of WRASK IT is a community and resource for parents to share child rearing experiences with each other.

12, June, 2015 WRASK Inc, a Bronx Technology company, have re-designed its mobile knowledge sharing platform. The new design makes it easier for parents to access the questions that are asked by mothers and fathers. It also provides the ability for parents to ask question without ever leaving their home page.

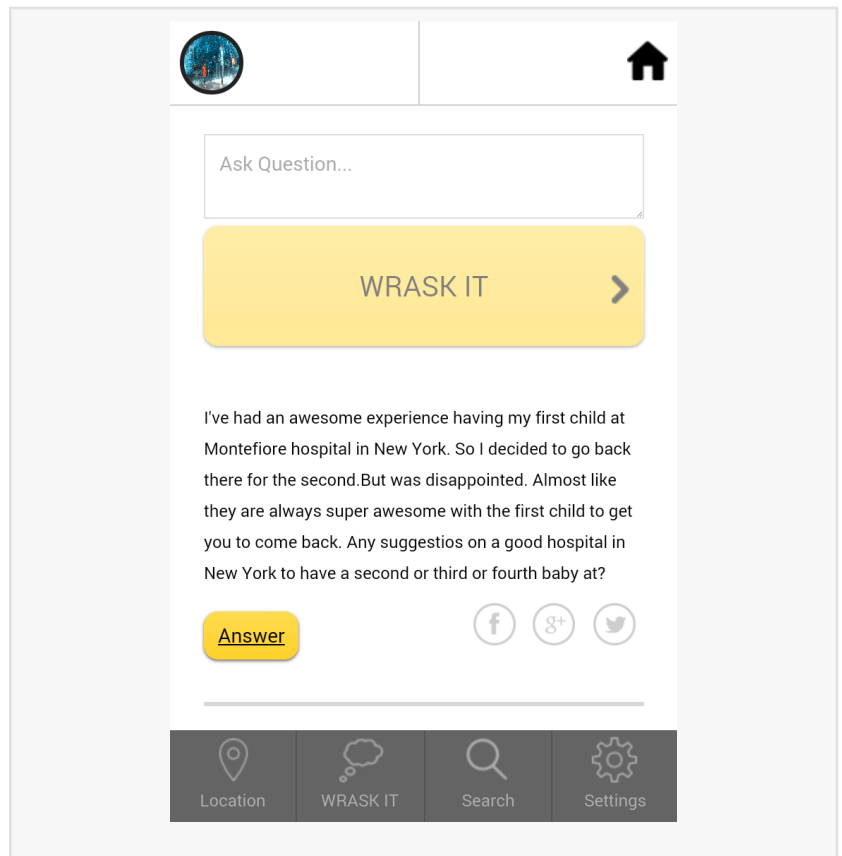

"Parents have the responsibility to develop the next generation and no one can help a parent with that responsibility better than other parents." - Jonathan Duhon / CEO WRASK INC,

Parents that have experiences raising children are armed with the knowledge and understanding needed to help other parents. There are many resources for parents online but where do parents turn when they want to talk to someone who can understand the natural issues that come from raising children?

WRASK IT Parent's Edition allows parents, nannies, and expecting mothers and fathers to ask anonymous question. The app also makes it easy for other parents with experience to answer those questions immediately.

The new design and mobile knowledge sharing platform for parents is available on iTunes' App store (6/19/2015) and currently available on [Android's Google Play Store](#).

About WRASK Inc: WRASK Inc, is a Bronx Technology company founded in March 2015. Mission: Connecting others for the purpose of making better decisions.
