

BluePay Completes ACH Integrations with U.S. Bank and Wells Fargo

BluePay recently completed ACH (Automated Clearing House) integrations with U.S. Bank and Wells Fargo.

NAPERVILLE, IL, USA, June 16, 2015 /EINPresswire.com/ -- BluePay, a prominent integrated payments processor for enterprise and B2B clients, recently completed ACH (Automated Clearing House) integrations with U.S. Bank and Wells Fargo. Including these two renowned banks, BluePay now has direct connections with nine major financial institutions, with plans to steadily increase that number to accommodate their growing customer base.

“BluePay continues to focus on solutions we can provide our enterprise and B2B merchants,” commented Kristen Gramigna, Chief Marketing Officer at BluePay. “Having the direct connections to these major financial institutions sets us apart from other payment companies.”

BluePay is also integrated with Bank of America, Capital One, Chase, Comerica, MB Financial and PNC. Merchants of all sizes can choose to securely process eCheck/ACH payments directly with these financial institutions via the BluePay Gateway, or work with BluePay’s Originating Depository Financial Institution (ODFI).

About BluePay: BluePay is a leading provider of technology-enabled payment processing for enterprise, small, and medium-sized businesses in the United States and Canada. Through physical POS, online, mobile interfaces, and software integration, BluePay processes business-to-consumer and business-to-business payments while providing real-time settlement, reporting, and reconciliation, along with robust security features such as tokenization and point-to-point encryption. BluePay is headquartered in Naperville, Illinois, with offices in Chicago, New York and Toronto.
