

Connecticut Mesothelioma Victims Center Urges A Person Diagnosed With This Rare Cancer To Call Them About Instant Access To The Nation's Top Lawyers And Treatment Options Physicians

WASHINGTON, DC, USA, July 2, 2015 /EINPresswire.com/ -- The Connecticut Mesothelioma Victims Center says, "About 25 people will be diagnosed with mesothelioma in Connecticut this year, and as far as we are concerned every person with this rare cancer caused by asbestos exposure, or their family should have on the spot access to the nation's most experienced lawyers who specialize getting the best possible compensation for their clients.

"Connecticut has a rich history of shipbuilding, as well as manufacturing, power plants, along with US Navy Veterans who served our nation. Unfortunately these are some of the top work groups for asbestos exposure.

"If you, or a loved one has just been diagnosed with mesothelioma we want you, or your loved one to call us at 866-714-6466 so we can carefully explain why it is so incredibly important to have instant access to the nation's best lawyers who consistently get the best compensation in Connecticut, and nationwide."

Victims Center*

As the Center would also like to explain the compensation process for mesothelioma, and treatment must begin simultaneously. For the best possible mesothelioma treatment options in Connecticut the Connecticut Mesothelioma Victims Center strongly recommends the following health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians one of these hospitals:

* Yale Cancer Center New Haven, Connecticut:

<http://www.yalecancercenter.org/>

* Hartford Hospital Hartford, Connecticut: <http://www.harthosp.org/Cancer/default.aspx>

The Connecticut Mesothelioma Victims Center want's to emphasize their's is a statewide initiative available to any diagnosed victim in Connecticut including communities such as Hartford, New London, New Haven, Bridgeport, Norwalk, New Briton, or Middletown.

The average age for a diagnosed victim of mesothelioma is 72 years old. Frequently victims of mesothelioma are initially misdiagnosed with pneumonia. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is attributable to exposure to asbestos.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

However, based on the calls the Mesothelioma Victims Center receives a diagnosed victim of mesothelioma could live in any state including New York, Florida, California, Texas, Illinois, Ohio, Iowa, Indiana, Missouri, North Carolina, Kentucky, Tennessee, Georgia, Alabama, Oklahoma, Arkansas, Kansas, Nebraska, North Dakota, Wyoming, Colorado, New Mexico, Utah, Nevada, Arizona, Idaho, or Alaska.

The Connecticut Mesothelioma Victims Center says, "Before you hire a mesothelioma attorney please call us at 866-714-6466, and compare the qualifications of who we consider to be the nation's most skilled mesothelioma attorneys to any other lawyer, or law firm.

"When it comes to obtaining the best mesothelioma compensation settlement, the quality of the attorney matters, as we would like to explain anytime."
