

\$100 Million of Hi-Tech Sapphire Fabrication and Inspection Equipment up for Auction on BidSpotter.com

SEATTLE, WASHINGTON, UNITED STATES, June 19, 2015 /EINPresswire.com/ -- BidSpotter.com, the world leader in interactive live and timed auctions, will be providing online bidding on behalf of BidIndustrial.com for the GT Advanced Technologies (GTAT) Sapphire Fabrication & Inspection Equipment auction. This is truly one of the largest industrial auctions ever with \$100 million worth of nearly new machinery and equipment from GTAT's sapphire production plant in Mesa, AZ up for bid! Hundreds of lots are available for online bidding now thru July 8, 2015.

BidIndustrial.com will liquidate these excess assets in an effort to support the ongoing business of GTAT. This huge global online auction will feature a large quantity of diamond wire saws, rotary surface grinders, CMM's, 900+ Helium Compressors, 300,000 kg of Sapphire Melt Stock, CNC machines and much more. Inspection with guided tours will be held July 2 – 7 and are by appointment only. Online bidding can be done at BidSpotter.com.

Noteworthy lots:

- [NU Instruments Astrum](#)
- [Meyer Burger Diamond Wire Saws](#) (50)
- [DCM Rotary Surface Grinders](#) (25+)
