

Hundreds of videos about longevity research and discoveries at The Longevity Revolution Internet TV channel

revelations of real longevity science available now without pharmaceutical drugs.

WORLDWIDE, ANY, WORLDWIDE, June 21, 2015 /EINPresswire.com/ -- The [Longevity Revolution™](http://www.thelongevityrevolution.tv) has launched their free online Internet TV channels at www.thelongevityrevolution.tv where there are hundreds of videos and documentaries that reveal scientifically researched longevity discoveries using

natural substances already available and that have already been used by millions of people worldwide for decades but are only now becoming known about in the Western hemisphere.

The site also offers a link to a free online University course to teach the basics of why we age that scientists have now learnt from decades of research.
