

Spanish Armed Forces Brigadier General Carlos Salas Murillo Special Guest Presentation at MilSatCom Latin America 2015

SMi Group is pleased to announce Spanish Ministry of Defence will deliver a special guest presentation on the Spanish MoD MILSATCOM Program

MACEIO, ALAGOA, BRAZIL, June 25, 2015 /EINPresswire.com/ -- SMi Group reports: (2015/25/06, Maceio, Brazil): [MilSatCom Latin America 2015](#), the only regional meeting place for military satellite communications specialists, will take place in Maceio, Brazil, on September 22-23 2015.

Brigadier General Murillo will present on [Day Two](#) of the conference, delivering an overview of the present and near future capabilities of our MIL-SATCOM (Space) and SECOMSAT (Land & Navy) Programmes. He will discuss the Spanish steps towards developing a new SP MoD MILSATCOM Programme and their approach to increase

Standardization and Capacity at the NATO and EU levels, as well as increase GtG programmes with Latin American Countries. The special guest presentation will conclude with a quick overview of the main SP National Space Industries.

This year's MilSatCom Latin America 2-day event programme will feature a high level of military and government briefings from those directly responsible for advancing these satellite capabilities. After the 2014 event, where there were over 100 attendees, this September's meeting is set to continue to attract the region's main SatCom protagonists. Registration is now live. More information about the event is available at

<http://www.milsatcom-latinamerica.com/einnews>
