

MassInteract Lets You Peek Inside of Businesses With Google Business View

Chicago based MassInteract allows consumers to preview businesses online, while providing online exposure and increased SEO rankings for businesses

CHICAGO , ILLINOIS, U.S. , June 25, 2015
/EINPresswire.com/ -- [MassInteract](#) is the nation's fastest growing Google Trusted Agency that provides [Google Business View](#). Using Google Street View technology, customers are able to virtually walk around venues nationwide. With MassInteract, companies can now show off their unique spaces by having personalized 360° tours featured across all Google's platforms including: Search, Maps, and Google+. Google Business View is the newest advantage an organization can have over competitors in this tech-embracing generation.

Gary Morley, of Ace Hardware in McHenry, attests to the excitement and benefits of this new technology, “ Google Business View has given my customers an insight to a variety of products that we carry. I found the sales representative to be extremely helpful and this product will definitely help my business for years to come.” Since contracting with MassInteract, people are more knowledgeable with the variety and diversity of Ace when they search on Google.

“

We are providing instant results, this is one of the most powerful and affordable tools that business owners can implement to increase online exposure for their business.”

Adil Qayyum, CEO

Google Business View turns static images into a fully immersive experience, provides rich location content everywhere, and will be one of the most well known platforms on the web. Whether a business operates in a metropolitan area or a remote field, the boost of visibility on all Google Search pages can be powerful. Moreover, any industry can benefit from this service: event venues, bars, schools, and many more.

Accessible via desktop, tablet or mobile device, Business View virtual tours act as a pivotal factor for many consumers. MassInteract's Google Certified Photographers use professional fisheye camera lenses to produce the High Definition photos. The team of expert photographers stitches the photos together to create a 360° visual platform.

MassInteract is taking off as the forerunner provider of Google Business View. CEO Adil Qayyum states, “We are providing instant results, this is one of the most powerful and affordable tools that business owners can implement to increase online exposure for their business.” MassInteract offers clients benefits including increased online engagement, higher SEO rankings, and an improved online presence for and affordable one-time fee. All intellectual property, including the photos belong to the

business owner. With thousands of companies using Google Business View already, MassInteract looks forward to giving even more businesses the competitive edge.
