

West Virginia Mesothelioma Victims Center Now Urges A Diagnosed Victim in West Virginia to Get Serious about Compensation and to Call Them For Instant Access To The Nation's Top Lawyers

WASHINGTON, DC, USA, July 24, 2015 /EINPresswire.com/ -- The West Virginia Mesothelioma Victims Center says, "We were recently in Wheeling, West Virginia and saw a cable TV ad from a one man law firm in Missouri talking about hiring him if you have mesothelioma in West Virginia. We had never heard of the guy.

"If you live in West Virginia and you have been diagnosed with mesothelioma we are urging you, or if you are the diagnosed victim's family members to call us at 866-714-6466 so we can instantly provide you with a short list of the nation's most experienced mesothelioma lawyers, who also consistently get the best compensation results for their clients.

"Please don't shortchange yourself when it comes to mesothelioma compensation if you are a diagnosed victim in West Virginia."

High risk work groups for exposure to asbestos in West Virginia include Veterans of the US Navy, power plant workers, steel mill workers, coal miners, factory workers, plumbers, electricians, auto mechanics, machinists, and construction workers. Typically the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. <http://WestVirginia.MesotheliomaVictimsCenter.Com>

The average age for a diagnosed victim of mesothelioma is 72 years old. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is a rare form of cancer that is attributable to exposure to asbestos.

The West Virginia Mesothelioma Victims Center says, "If you call us at 866-714-6466, we will see to it that you have instant access to the nation's most skilled mesothelioma attorneys, who consistently get the best possible financial compensation results for their clients.

"Before you hire a law firm, or lawyer to advance a mesothelioma compensation claim please call us first so we can tell you who we consider to be the nation's top mesothelioma lawyers. As we would like to explain skill, and experience matters when it comes to a lawyer representing a diagnosed victim of mesothelioma, or the victim's family." <http://WestVirginia.MesotheliomaVictimsCenter.Com>

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

However, based on the calls the Mesothelioma Victims Center receives a diagnosed victim of mesothelioma could live in any state including New York, Florida, California, Texas, Illinois, Ohio, Iowa, Indiana, Missouri, North Carolina, Kentucky, Tennessee, Georgia, Alabama, Oklahoma, Arkansas, Kansas, Nebraska, North Dakota, Wyoming, Nevada, Colorado, New Mexico, Utah, Arizona, Idaho, or Alaska.
