

Haypi Monster: The Lost Tower 1.8.3 Ignites Spark for Adventure

Haypi Monster: The Lost Tower Version 1.8.3 is now available for free download from the AppStore!

SHANGHAI, SHANGHAI, CHINA, June 29, 2015 /EINPresswire.com/ -- The spark for adventure lives in the hearts of men and women, kids and adults. The newly released Haypi Monster: [The Lost Tower](#) 1.8.3 [ignites](#) the spark and revives the flame of bravery. Hundreds of monsters roam the lands in chaos, until a worthy monster trainer captures and tames them. When the critters join the good side, they fight for their savior until the end! With their help and support, the hero climbs up the enchanted tower to free the lands of the dark horror! The magic world of the game is amusing for players of any age. Haypi Monster: The Lost Tower Version 1.8.3 is now available for free download from the AppStore!

The brave monster collectors set on a journey up to the top of the Lost Tower. The new version Haypi Monster: The Lost Tower 1.8.3 has even further improved the fairness and balance of the game play. Every Floor of the magic tower offers exciting challenges for the monster tamers. The difficulty of each floor is very well-measured to ensure that the gameplay fair for everyone. The new

version of Haypi Monster: The Lost Tower has further adjusted the difficulty of Floor 2 and Floor 3 of the Lost Tower. The well-balanced environment allows the players to release the flame of their courage.

For all players of Haypi Monster: The Lost Tower, it is fun to guide the collectable monsters through the magic lands of the game. Each monster possesses powerful skills and Mystery talents. In the new version, fair gameplay is ensured through some modifications of the mystery talents. For example, the Mystery talent Invincibility has been removed from the NPC monsters in some scene level challenges. Now players can be certain that their efforts are measured correspondingly, and their success is the

result of the bravery of their hearts!

Players of Haypi Monster: The Lost Tower can save the lands from the dark powers. The saviors advance in the game on the basis of wits and urge for glory. With the new version Haypi Monster: The Lost Tower 1.8.3, there is a better-facilitated newcomer experience. Well-measured modifications to the Main Task and Daily Tasks systems provide suitable instructions and rewards for the newbies in the lands of Haypi critters! The adjustments effectively improve the exciting experience of being a monster tamer. Dailies activity has been temporarily closed, so that the world

saviors will be relieved of the extra duties for a while. Thus they can concentrate on advancing up the Lost Tower!

With Haypi Monster: The Lost Tower Version 1.8.3 players can have great fun! Now more and more users from across the Globe can enjoy the Haypi game, because the multi-language texts have been further improved. Language barriers are broken and players can share the game experience freely! Another innovation in the game is the new Alliance Building. The Alliance features will become available in the near future, and the players will have more and more fun! Last but not least, the UI, display and features have been further optimized and contribute to smoother gameplay.

Haypi Monster: The Lost Tower Version 1.8.3 has hit the App Store! The glorious adventure continues, better than ever! The productive developer [Haypi Co., Ltd.](http://www.haypi.com) has released a great update of the entertaining EDU monster-collecting game. Haypi Monster: The Lost Tower Version 1.8.3 brings joy and thrill to the lives of players!
