

# Registration now open for the 10th annual Cold Chain Distribution Conference and Exhibition

*SMi Group reports (2015.06.29):  
Registration is now live for the 10th  
annual Cold Chain Distribution  
Conference and Exhibition on 3rd–4th  
December in London, UK*

LONDON, UNITED KINGDOM, June 29, 2015 /EINPresswire.com/ -- With the total size of the healthcare cold chain logistic services market expected to expand further from its current figures of, £4.3 billion to nearly £6.9 billion by 2017\*, we're even more excited to present SMi's [10th Annual Cold Chain Distribution Conference and Exhibition](#). The important advances in real time data logging, along with compliance, GDP and best practices in the pharma distribution environment are just a few of the sessions to be covered at the [two-day conference](#).

Cold chain logistic services markets are

showing a promising future in the pharma distribution environment. Cold Chain Distribution, now in its tenth successful year, is the only conference to highlight the methods used in the cold chain distribution and logistics process of diverse temperature sensitive healthcare products.

Cold Chain Distribution will include a fantastic networking opportunity with the leading experts in the industry consisting of drinks reception, followed by dinner.

First 20 Pharma companies to register receive a special £899 rate.
