Real estate rebates for Greenville County HEROES when buying or selling a home. Local Real Estate Professionals Paying it Forward

GREENVILLE COUNTY, SC, USA, June 29, 2015 /EINPresswire.com/ -- Heroes Home Advantage proudly announces that a group of real estate professionals in Greenville County, SC have joined

their program. The real estate rebate program provides rebates, discounts and credits to local heroes who are purchasing or selling a home.

Heroes Home Advantage has teamed up with Keller Williams (Connie Rice & Partners) real estate agents Josephine Olson, Alan Goodspeed, Don Swearingen, Holly Lynch, Lee Harkins, Lisa Murray, Nichole Desko and Pamela Landreth. These realtors have demonstrated their commitment to helping those who protect and enrich the lives of Greenville County area residents. They will donate 25% of their entire company's commission in cash back or credit as allowable per the realtor's state.

"I come from a long line of heroes. As far as back as my family can recall there has been someone serving this great country in the military. I have even traced back to 8th generation lines connecting us to presidential service! My father being a life servant of the military and still connected after his "retirement", it was always impressed upon us that you thankfully give 100% of yourself into whatever you do. It was evident that this is the mindset of this service man in the dedication he gave for so many years. My husband being in the medical field, I see the passion it requires to care for someone. A stranger in need becomes your priority and your needs are second at best. All of the careers this program honors are educating our next leaders, protecting our country, protecting our communities & saving lives. The opportunity for me to give something back would be my honor." Said Josephine Olson.

The Heroes Home Advantage real estate rebate program is available for all members of the military, law enforcement, firefighters, first responders, health care professionals, and teachers. Anyone in those lines of profession is eligible, whether they currently or previously served their country.
