

GlobelMoney to Invest 5m Euros

GlobelMoney has announced investment of 5m Euros into the company to further expand services and reach.

ATHENS, ATTIKI, GREECE, July 1, 2015 /EINPresswire.com/ -- Founder & C.E.O [GlobelMoney](http://GlobelMoney.com) Mr, Waqas Ilyas says, "This investment will help us to build a better service for all GlobelMoney clients and the investment will be used to bring its low-cost transfer service to more countries. At the moment we are processing around 25,000 transactions every month so after this investment we will be eligible to process above than 40,000 transactions and also we will be able to accept more Payment Processors."

Mr, Waqas continues to state, "The money transfer industry will finally start to feel the effects of the "internet revolution" and old models are changing extremely quickly. Our team will always try our best to provide Best, Secure, Reliable Services in the future."

GlobelMoney will use the investment to offer faster and easier service for clients around the world. Such service upgrades include:

More ways to send, receive and exchange
Increasing range and availability of

services; bank deposit, cash pickup, SMoney and airtime top-up.

More support

Investing in a bigger and better equipped customer care team, so help is there whenever needed.

24/7 Live Phone or Chat support with Call Back Request Feature "Click To Call".

More countries

Connecting more people by adding more send and receive countries.
