

# Concept Resourcing Awarded NMNC Supplier Status Again

*Concept Resourcing has been accepted as an approved supplier to the NHS on the Crown Commercial Services new Non-Medical Non-Clinical procurement framework.*

BIRMINGHAM, WEST MIDLANDS, UNITED KINGDOM, July 3, 2015 /EINPresswire.com/ -- [Concept Resourcing](#) is extremely pleased to announce that it has been accepted as a supplier onto the Non-Medical Non-Clinical (NMNC) framework for the second time. NMNC is the Crown Commercial Service's [public sector](#) procurement framework, providing access to a range of temporary, interim and contract workers.

The Midlands [recruitment specialist](#) has been a strategic Government partner for more than 10 years, supplying hundreds of candidates across numerous public sector organisations.

Following the recent re-let of the Non-Medical Non-Clinical framework, Concept Resourcing tendered for a place on the framework and has been successful in Lots 4 and 5, focusing on the provision of candidates for IT Professionals and Corporate Functions.

“

We're absolutely delighted to have been accepted onto the new framework. Our public sector team has been growing rapidly over the past few years and we're excited to continue to support the NHS.

*Marc Daniels*

Concept Resourcing's Associate Director of NHS and Public Sector, Marc Daniels said: "We're absolutely delighted to have been accepted onto the new framework. Our public sector team has been growing rapidly over the past few years and we're excited to continue to support multiple NHS organisations throughout the UK with their hiring needs.

"Being a part of the NMNC framework allows NHS Trust's and other public sector bodies to have access to a network of pre-approved agencies that follow stringent guidelines to provide a safe recruitment experience at a rate aligned with the Agenda for Change."

Concept Resourcing has been supplying permanent and contract candidates to the public sector for a number of years. In addition to NMNC, the business is also an approved supplier of the Crown Commercial Service's G-Cloud and Contingent Labour ONE frameworks.
