Heroes Home Advantage has teamed up with KDK Realty agent Jonathan Summers, lender Brittany Boudreaux of PrimeLending, home inspector Kiel Harton of HDMK Home Inspection, title agent Johnny McKay of Cypress Title, and home insurance agent Tracy Broussard of American National

P&C. This team has demonstrated their commitment to helping those who protect and enrich the lives of East Baton Rouge area residents.

“I served 4 years in the United States Marine Corps and now I am a Realtor with KDK Realty. My father is a retired 1st Sgt with 20 years in the United States Marine Corps. He was in the initial push in the first Gulf War where he earned many decorations. He also served on embassy duty and was a Drill Instructor on Parris Island where I grew up, went to boot camp and where I was stationed during my enlistment. Needless to say, I've been surrounded and in the military the majority of my life.” Said Jonathan Summers, KDK Realty. “I believe that the heroes have EARNED a lot and giving back to my fellow brothers and sisters is the least I can do. If you're interested in working with a fellow veteran and a great team that's dedicated to giving back, please give me a call. Semper Fi!”

The Heroes Home Advantage real estate rebate program is available for all members of the military, law enforcement, firefighters, first responders, health care professionals, and teachers. Anyone in those lines of profession is eligible, whether they currently or previously served their country or community.
