

ABCOMRENTS Expands Headquarters, Adds Headcount As Demand For New LED Video Walls Soars

The changes are a result of the company's growing customer base and business demands for their digital signage solutions including LED walls.

ITASCA, IL, USA, July 8, 2015 /EINPresswire.com/ -- Due to exponential growth, [ABCOMRENTS](http://www.abcomrents.com) is expanding their national headquarters in Chicago. The digital signage solutions company is expanding into a new 40,000+ square foot facility and adding staff in all functional areas to accommodate customer demand.

"This move is crucial for our operations and we are adding new positions to accommodate our growth. We expect to have at least ten new positions open due to this expansion creating new jobs in the Northwest Suburbs of Chicago. These positions will be across various functional areas, including Sales, Operations, Logistics, and Technical Services," said [Sonny Goyal](#), Managing Director of ABCOMRENTS (www.abcomrents.com).

The new facility will be large enough to host a newly designed permanent show room and demo space where clients can see and use some of the latest technologies available in the Rental & Staging Industry. ABCOMRENTS has always been at the forefront of rental technologies and boasts many LED products, including indoor and outdoor [LED video walls](#), NEC Ultra Narrow LCD Video Walls, Innovative Surface table rentals, Interactive Digital Signage solutions, Curved LED Tiles, Transparent Displays integrated with Interactive Touch, and a massive new line of 100" 10-Point LED Touchscreen Displays in addition to their more traditional laptop, AV, and IT rental products and services.

"ABCOMRENTS has always been a leader in bringing people and technology together, which is exactly what the newly designed demo room will accomplish. It will also allow many of our clients who rely on us to suggest digital signage solutions for resale, integration and rental to see hands-on what our products can do before they rent or purchase. It's a great way for clients to get a feel for how our solutions will work across multiple industries and markets," said Goyal.

ABCOMRENTS has been servicing clients in the Rental & Staging Industry since 1989. The company has become so successful because of its people and solutions-focused mindset; truly leading the path providing unique technology solutions for the rental industry. Our clients are our partners, working together for one common goal – unsurpassed service and superior support nationally.

"This is our year to make a significant impact! We have a lot of new and exciting things happening here and there is a lot more to come so stay tuned..." said Goyal.
