

totDOT: The Original Family Planning Indicator

Each of the six colors represents a different stage of your family planning: "One day"; "Trying"; "Expecting"; "It's a Boy"; "It's a Girl" and "Fulfilled."

TAMPA BAY , FLORIDA, US, July 9, 2015 /EINPresswire.com/ -- [totDOT®](#), The Original Family Planning Indicator is on [Kickstarter](#), the world's largest online funding platform for creative projects. The product needs momentum to reach its funding goal. Reaching the \$100,000 goal by July 23, 2015 will enable totDOT to expand from e-commerce to retail stores, with the ultimate goal of production in the United States.

totDOT® is devoted solely to the expression of your family planning status. Based on a unique concept, the tD monogram box set consists of six interchangeable beads. Each of the six colors represents a different stage of your family planning: "One day"; "Trying"; "Expecting"; "It's a Boy"; "It's a Girl" and "Fulfilled." totDOT® is for everyone.

The tD monogram is a one of a kind accessory that will soon be a family favorite. It is the perfect gift for women of all ages to proudly announce their "Baby Status."

The concept is so basic, but so effective! Take a second to think about how many people you know right now that are: 1) engaged, 2) newly weds, 3) are trying to have a baby, 4) expecting or 5) have babies/toddlers 1+ years old? If you are between the ages of 22 to 45, the answer is probably several! Now pay attention next time you hang out with any of these individuals, you will start to notice that common theme of questions they are asked once people learn they are any of the above.

This product is currently available as a pendant, charm and purse clip in your choice of silver, gold or rose gold. "I am very pleased with the final product. We have an amazing team that truly believes in the company's concept and in building the business. We believe totDOT® will help women express the decisions, struggles and joys that are part of the miracle of life," says Kyleen Hinkle, President and Founder.

The Kickstarter project launched on June 23, 2015, and it concludes on July 23, 2015. A \$50 dollar contribution on the site ensures receipt of a totDOT® (if full funding is achieved). Many other options are available.
