

# Bahamas' spectacular Harbour Island wins best island in the Caribbean

NASSAU, BAHAMAS, July 9, 2015 /EINPresswire.com/ -- NASSAU, Bahamas - Harbour Island, Bahamas was voted "Best Island in the Caribbean" by Travel + Leisure's most discerning travelers, taking one of the top honors in the publication's World's Best Awards 2015. The award was based on travelers' ratings of their experiences in the annual World's Best Awards 2015 readers' survey. This is the second time that Harbour Island has received this influential award.

"We are thrilled to receive this impressive award, a fitting tribute to this lovely island that was once the capital of the Bahamas. It's laid back island appeal still manages to attract the rich, the famous and ordinary persons, who all fall for its

unique charm and quaintness," said Joy Jibrilu, Director General of Tourism for The Bahamas. "We invite everyone to discover the magical pink sand beaches, secluded coves and gorgeous coral reefs of this island treasure, and to enjoy the unique experiences that so impressed Travel + Leisure's global travelers."
