

# Seasoned Life Coach Nancy Hargis to be Featured on CUTV News Radio

SANTA ROSA, CALIFORNIA, USA, July 13, 2015 /EINPresswire.com/ -- The quality of our lives transform as we fully embrace our REAL SELF

It is never too late to begin.

Coaching in one way of receiving guidance on our journey

Nancy Hargis is a seasoned Life Coach working with people of all walks of life. Her focus this year has been with the elderly.

An elephant in the waiting room of life hangs out. For elders the time has come to welcome the fear of death and release it power over our being.

Nancy is not afraid to talk about death. Her compassion and gentle spirit helps guide others to let go of the fear that keeps them from moving forward.

What are we going to do with our precious remaining years? Addressing old issues of self-worth and resolving experiences that need forgiveness is a good start.

She finds that clients of all ages are getting tired of their busy lives and yearn for more peace.

Her work is designed to guide you to develop a deeper connection to your REAL SELF, the Self that has been there all along, often unseen, obscured by our fears and illusions. Waiting for our recognition, so we can hear what our Spirit is calling us to do.

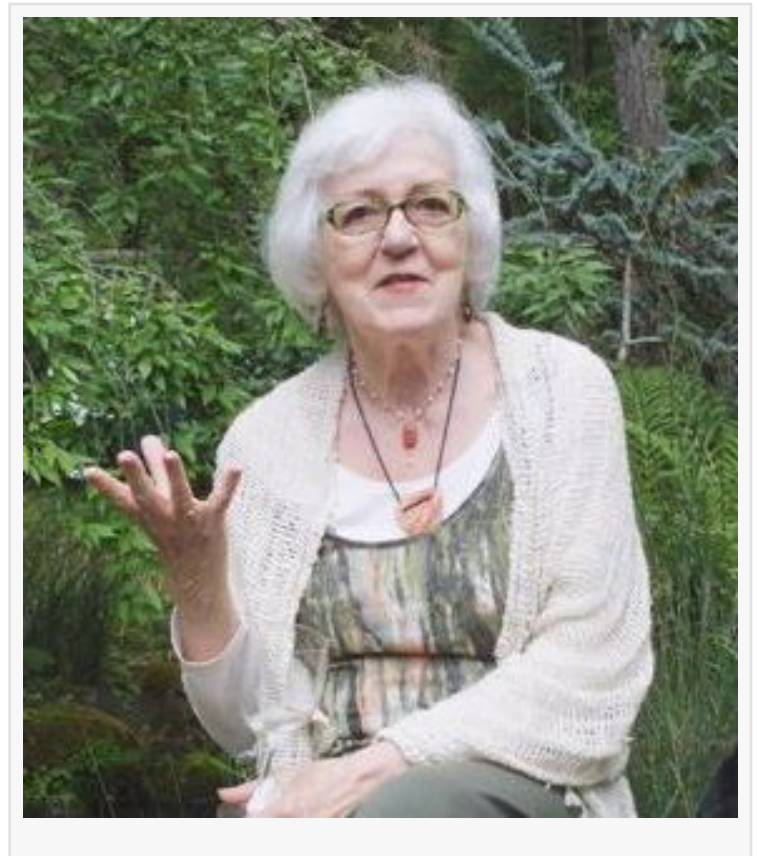

Our time together is not about seeking answers from the past so much as discovering from the "future". The future is NOW!

CUTV News Radio will feature Nancy Hargis in an interview with Jim Masters on July 15th at 1pm EST.
