

The New Bit Pouch Product Launch!

Launching on KickStarter, the leading Crowd-funding website.

LOS ANGELES, CA, USA, July 13, 2015
/EINPresswire.com/ -- [THE BIT POUCH](#) -
The Bit Pouch provides power tool users with safer and convenient options to hold their driver bits and a Magnetic surface to hold all those screws, instead of in your mouth!

LOS ANGELES -- THE BIT POUCH is a handy little accessory for your power tools. It attaches to the side of your power tool or drill with an adjustable Velcro-type strap and includes a strong magnetic side panel to hold your screws and hardware. "Keep your Bits Close at Hand".

Inside of The Bit Pouch, has a Strong Neodymium Magnet to hold your driver bits, small drill bits and attachments. The top zips closed so you don't lose anything while moving around or if you hold it upside-down.

They come in Brand-specific colors to match your favorite power tool manufacturer. It is versatile and can adjust to many different configurations or battery sizes. (see attached picture).

Please visit The Bit Pouch to see about purchasing this new very useful Drill Accessory. Our website www.thebitpouch.com.

We are looking for retail distributors to market and sell The Bit Pouch, please contact us if you are interested.
