

Wisconsin Mesothelioma Victims Center Now Urges Diagnosed Victims to call Them About Compensation If Their Asbestos Exposure Occurred in a Power Plant or Manufacturing Facility

WASHINGTON, DC, USA, August 3, 2015 /EINPresswire.com/ -- The Wisconsin Mesothelioma Victims Center says, "We are incredibly focused on seeing to it that a diagnosed victim of mesothelioma, or their family get on the spot access to the nation's most experienced mesothelioma lawyers, especially if the person with the rare cancer was exposed to asbestos at a workplace such as a power plant, manufacturing facility, or while serving in the US Navy.

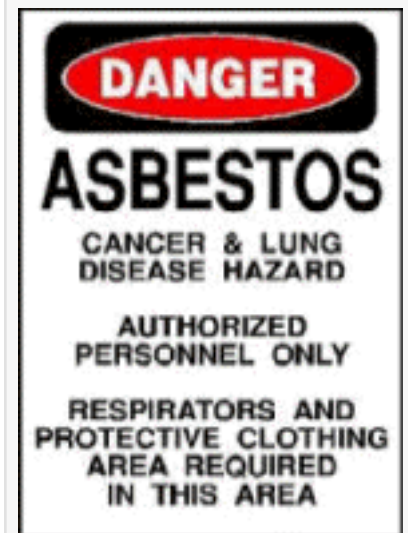

"If a diagnosed victim of mesothelioma in Wisconsin calls us at 866-714-6466 we will provide them with instant access to the nation's most experienced mesothelioma lawyers, who consistently get the best compensation results for their client, and we will immediately offer a vital checklist must do's for the person with this rare cancer, or their family that covers everything we can think of."

Vital compensation tip for diagnosed victims, or their family members from the Wisconsin Mesothelioma Victims Center."As we would like to explain anytime to a diagnosed victim, or their family, if they fail to begin the compensation process as soon as the diagnosis is confirmed they could see their potential compensation degraded significantly.

"If a diagnosed victim fails to retain the services of the nation's top mesothelioma lawyers who specializes in the best possible compensation for their client the mistake could cost the person with this rare cancer hundreds of thousands of dollars, or more.

"We are urging a person in Wisconsin with a confirmed diagnosis, or their family to call us anytime at 866-714-6466 so at a minimum we can make certain they are talking to the nation's top lawyers, and healthcare professionals. No other group in the nation offers this service."

strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this hospital.

* The University of Wisconsin Carbone Cancer Center in Madison: <http://www.uwhealth.org>.

The Center also wants to emphasize their initiative is statewide and available to a diagnosed victim in any community in Wisconsin including Milwaukee, Madison, Green Bay, Kenosha, Racine, Appleton, or Oshkosh

High risk work groups for exposure to asbestos in Wisconsin include US Navy Veterans, power plant workers, pulp, or paper mill workers, manufacturing workers, plumbers, electricians, auto mechanics, machinists, or construction workers. Typically the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. <http://Wisconsin.MesotheliomaVictimsCenter.Com>

According to the US Center for Disease Control the average age for a diagnosed victim of mesothelioma is 72 years old. Frequently victims of mesothelioma are initially misdiagnosed with pneumonia. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is attributable to exposure to asbestos.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

However, based on the calls the Mesothelioma Victims Center receives a diagnosed victim of mesothelioma could live in any state including New York, Florida, California, Texas, Illinois, Ohio, Iowa, Indiana, Missouri, North Carolina, Kentucky, Tennessee, Georgia, Alabama, Oklahoma, Arkansas, Kansas, Nebraska, Wyoming, Colorado, New Mexico, Utah, Nevada, Arizona, Idaho, or Alaska.

The Wisconsin Mesothelioma Victims Center says, "Before you hire a mesothelioma attorney please call us at 866-714-6466, and compare the qualifications of who we consider to be the nation's most skilled mesothelioma attorneys to any other lawyer, or law firm.

"When it comes to obtaining the best mesothelioma compensation settlement, the quality of the attorney matters, as we would like to explain." <http://Wisconsin.MesotheliomaVictimsCenter.Com>
