

Washington Mesothelioma Victims Center is now urging a Diagnosed Victim to Call Them About Compensation If their asbestos exposure occurred at a Shipyard-a Power Plant or the US Navy

WASHINGTON, DC, USA, August 4, 2015 /EINPresswire.com/ -- The Washington Mesothelioma Victims Center says, "We are placing a huge priority on making certain a diagnosed victim of mesothelioma in Washington State has instant access to the nation's best mesothelioma lawyers, who consistently get the best compensation results for their clients.

"Our top priorities are people with this rare cancer who were exposed to asbestos at a shipyard, a power plant in Eastern, or Western Washington, a pulp, or paper mill worker, or a US Navy Veteran.

"As we would like to explain anytime to a diagnosed victim, or their family if you call us at 866-714-6466 the quality of the

lawyer advancing the mesothelioma compensation claim matters especially with the types of work groups we have listed.

"If the victim, or their family chooses poorly when it comes to retaining the services of a law firm, or lawyer the mistake could be costly as in hundreds of thousands of dollars, or more."

For the best possible mesothelioma treatment options in Washington the Washington Mesothelioma Victims Center strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this treatment facility. The Center believes this treatment facility for mesothelioma to be one of the best in the nation.

* Fred Hutchinson Cancer Research Center, and the UW Medical Center called the Seattle Cancer Care Alliance, in Seattle, Washington: <http://www.seattlecca.org/diseases/>.

The Center says, "We want to emphasize our free services are available statewide in every community including Seattle, Tacoma, Spokane, Vancouver, Yakima, Bellingham, Bremerton, Moses Lake, Mount Vernon, Wenatchee, the Tri Cities, etc.

According to the CDC the average age for a diagnosed victim of mesothelioma is 72 years old. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is a rare form of cancer that is attributable to exposure to asbestos.

If the victim, or their family chooses poorly when it comes to retaining the services of a law firm, or lawyer the mistake could be costly as in hundreds of thousands of dollars, or more
