WASHINGTON, DC, USA, August 5, 2015 /EINPresswire.com/ -- The Massachusetts Mesothelioma Victims Center saying, "We are urging a diagnosed victim of mesothelioma in Massachusetts, or their family to call us anytime at 866-714-6466 for on the spot access to some of the nation's best lawyers when it comes to compensation. In addition we want them to call us so we can give them vital tips about things that must be in place to protect the diagnosed victim, and their family.

"When we say vital tips we mean a checklist of very important things that must be addressed by the diagnosed victim such as a will, a very trusted family member getting power of attorney so they can make important decisions if the diagnosed victim can no longer do these things for themselves, etc.

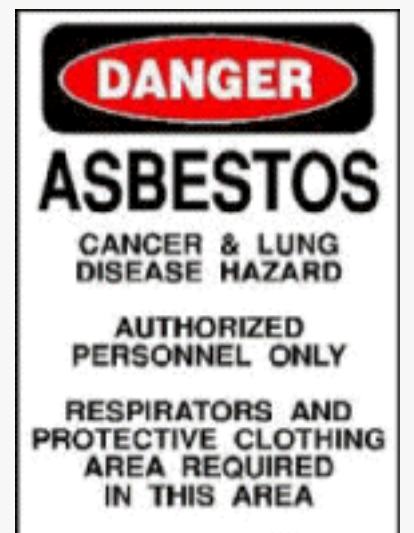

"We also would like to explain to the family members other important things like making certain their loved one gets to medical appointments on time, setting up a plan to get groceries for their loved one, and or how to make the victim's home more livable for the person with this rare form of cancer.

"Aside from making certain the diagnosed victim has the best lawyers to advance their mesothelioma compensation claim, or family members that are tuned into the needs of their loved one, we also put a huge premium on treatment."
