

California Mesothelioma Victims Center is Now Offering a Diagnosed Victim or Their Family Customized Compensation Tips to Ensure Much Better Financial Settlement Results

WASHINGTON, DC, USA, August 6, 2015 /EINPresswire.com/ -- The California Mesothelioma Victims Center says, "Our most important goal is to make certain a diagnosed victim of mesothelioma, or their family gets the best possible compensation for a rare form of cancer called mesothelioma.

"This is especially true in a state like California where it would seem like there is a qualified mesothelioma law firm in every city, town, or rural area. Sadly that is not reality, as we would like to explain to a diagnosed victim in California anytime at 866-714-6466.

"If we had a few vital tips on how to ensure the best possible compensation for mesothelioma they might be:

- #1. "Avoid Internet web sites that suggest there are a federally sponsored national mesothelioma compensation centers.
- #2. "Avoid Internet web sites that suggest there is no lawsuit required for a mesothelioma compensation claim. In reality really skilled, and super experienced lawyers are needed to get the best possible mesothelioma compensation for a diagnosed victim, or their family.
- #3. "Aside from providing instant access to who we consider to be the nation's top mesothelioma lawyers when it comes to getting the best possible compensation, we also offer advice as to what law firms a diagnosed victim should avoid. No other group in the nation offers a service like this." <http://California.MesotheliomaVictimsCenter.Com>

For the best possible mesothelioma treatment options in California the California Mesothelioma Victims Center strongly recommends the

following health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at one of these four hospitals:

* Cedars-Sinai Medical Center Los Angeles, California: <http://www.cedars-sinai.edu/Patients/Programs-and-Services/Samuel-Oschin-Comprehensive-Cancer-Institute/>

* UCLA Medical Center Los Angeles, California:

<http://www.cancer.ucla.edu/>

* Stanford Cancer Institute Stanford, California: <http://cancer.stanford.edu/>

* University of California San Francisco, San Francisco, California: <http://mountzion.ucsfmedicalcenter.org/>

The California Mesothelioma Victims Center also wants to emphasize their's is a statewide unsurpassed service that is available to any diagnosed victim in California including communities such as Los Angeles, San Diego, San Francisco, San Jose, Riverside, Fresno, Sacramento, Oceanside, Palm Springs, Riverside, or Eureka.

High risk work groups for exposure to asbestos In California include US Navy Veterans, power plant workers, shipyard workers, oil refinery workers, manufacturing workers, plumbers, electricians, auto mechanics, machinists, or construction workers. Typically the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. <http://California.MesotheliomaVictimsCenter.Com>

According to the US Center for Disease Control the average age for a diagnosed victim of mesothelioma is 72 years old. Frequently victims of mesothelioma are initially misdiagnosed with pneumonia. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is attributable to exposure to asbestos.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

The California Mesothelioma Victims Center says, "Before you hire a mesothelioma attorney to advance a mesothelioma compensation claim please call us at 866-714-6466, and compare the qualifications of who we consider to be the nation's most skilled mesothelioma attorneys to any other lawyer, or law firm.

"When it comes to obtaining the best mesothelioma compensation settlement, the quality of the attorney matters, as we would like to explain anytime."
