

# Make management system projects more affordable with 15% saving from IT Governance

BOISE, IDAHO, USA, July 22, 2015 /EINPresswire.com/ -- [IT Governance](#), the global leader in information security expertise, is pleased to announce that it is offering a 15% discount on all of its books, toolkits, standards, e-learning courses, and pen testing services this July to help its US customers succeed in their IT governance and management system projects.

The 15% off for summer '15 promotion will help organizations throughout the US to kick-start their IT governance projects – whether they focus on cybersecurity, business continuity, risk management, or IT service management.

Management systems bring stability, security, and success to an organization, facilitating compliance with a wide range of laws and regulations while creating business efficiency by streamlining processes and focusing technologies.

IT Governance is a leading global provider of IT governance, risk management, and compliance solutions, with a special focus on cyber resilience, data protection, the PCI DSS, and ISO 27001 and cyber security.

Whether you're implementing an information security management system (ISMS) to protect your organization's critical data assets and comply with state and federal data protection legislation, you're setting up business continuity management (BCM) plans to ensure your business survives the disruption of a critical incident, or you need to comply with the Payment Card Industry Data Security Standard (PCI DSS), IT Governance can provide a wide range of expert guidance to suit all budgets, timescales, and existing levels of knowledge.

But these are by no means the only subject areas that IT Governance can help you with. For more information on IT Governance, and to view the full range of available products and services, visit <http://www.itgovernanceusa.com/shop>.

To take advantage of the 15% off for summer '15 promotion, simply enter the voucher code JULY15 at checkout before the end of July 2015 and the 15% discount will be applied to your shopping cart.

Alternatively, organizations can call IT Governance toll-free on 1-877-317-3454 or email [servicecenter@itgovernanceusa.com](mailto:servicecenter@itgovernanceusa.com) for more information on how IT Governance can help protect their information security.

## NOTES TO EDITORS

IT Governance Ltd is the single-source provider of books, tools, training and consultancy for IT governance, risk management and compliance. It is a leading authority on data security and IT governance for business and the public sector. IT Governance is 'non-geek', approaching IT issues from a non-technology background and talking to management in its own language. Its customer base spans Europe, the Americas, the Middle East and Asia. More information is available at [www.itgovernanceusa.com](http://www.itgovernanceusa.com).
