

## "11:59" is Actually Attractive and Sexy

*Dino, Princess Tia and Marquee delivers a fun and sexy music video of the new single "11:59" off of the upcoming EP entitled PURE.*

AUSTIN, TEXAS, UNITED STATES, July 27, 2015 /EINPresswire.com/ -- Mysterious Entertainment teamed up with Crown'd Headz Entertainment to bring music fans a very sexy single and music video that displays both labels' musical talents exclusively on Vevo on August 7, 2015.

The collaboration of these artists and labels for the single and music video "11:59" was done to show the many independent artists that it is more profitable to combine resources to produce a quality product. The daughter of the first female rapper/MC of the hip-hop culture Mc Sha-Rock, [Princess Tia](#) sets the tone of the single and video with her sexy and feminine demeanor accompanied by a strong lyrical delivery while Mysterious Entertainment recording artist [Marquee](#) compliments the sensual lead with his sultry and seductive chorus and verse. [Dino](#), CEO of Mysterious Entertainment, closes out the song with his gritty and edgy delivery of what some may call "controversial" lyrics. Overall the video will captivate the percentage of music fans the single alone does not.
