

Hey Joe Coffee Premieres World's First Self-Brewing Coffee Mug

Receive a free 30 day supply of coffee with purchase of Hey Joe's one of a kind coffee mug.

ATLANTA, GA, USA, July 28, 2015 /EINPresswire.com/ -- [Hey Joe Coffee](#) has designed the world's first smart coffee mug. The self-brewing travel mug was created to keep you fueled and ready for whatever your day may bring. Take the mug with you anywhere and brew at any time - at the office, on the job site, or on an outdoor adventure Hey Joe brings you freshly brewed coffee in minutes.

For a limited time, Hey Joe Coffee is offering a special pre-sale for its customers. Purchase your Hey Joe mug and receive a box of 30 Hey Joe quality blended coffee pods for free. Once you run out of pods you can start up your subscription and have coffee automatically delivered at your doorstep each month for only \$19.99.

CEO and founder, Jordan Warren said, "We're excited to introduce Hey Joe coffee to the public and allow coffee fans and caffeine lovers the chance to brew Joe on-the-go. Our goal is to make brewing coffee an anywhere and anytime thing."

The Hey Joe travel mug holds 12 fluid ounces and fits in all standard cup holders. Its height is 9.5" and weighs 1.7lbs with the battery attached. Detach the battery from the mug after it brews and enjoy your coffee. The weight of the mug is equal to a standard drinking mug when the battery is removed. Each mug comes with 1 rechargeable battery and 1 charger. From hitting power to taking the first sip, it takes about 4 minutes for the coffee to brew. Then just 30 minutes for the battery to recharge for your next cup.

There are countless ways to enjoy your coffee with the convenience of a Hey Joe self-brewing coffee mug. This sale ends July 31st, [pre-order](#) yours today.
