

BluePay Announces New Partnership with Arizona Small Business Association

BluePay, a leading single-source merchant account provider, is proud to announce that that they have partnered with the Arizona Small Business Association.

NAPERVILLE, IL, USA, July 30, 2015 /EINPresswire.com/ -- BluePay, a leading single-source merchant account provider, is proud to announce that that they have partnered with the Arizona Small Business Association (ASBA). As the new official payment processor for the ASBA, BluePay will deliver the lowest rates with the highest levels of security for their members.

As a Tier 1 credit card processor, BluePay works with merchants of all types and sizes to make accepting credit cards, electronic checks, and other payment options simple and fast. BluePay emphasizes their ability to meet the unique needs of each industry they serve, offering a wide variety of credit card processing options.

"After a long period of reviewing providers, we chose BluePay based on their significant savings and the incredibly high-level of service they offer," stated Rick Murray, ASBA CEO. "We are thrilled to partner with a company so committed to helping the small business community thrive. By consulting individually with each business owner, BluePay customizes plans that truly fit the business' goals and budget, overall helping them save valuable dollars which they can use in other vital areas of their business."

"We are honored to be selected as the official payment processor for the ASBA," commented Kristen Gramigna, Chief Marketing Officer for BluePay. "We know small merchants put their all into making their businesses succeed, and BluePay wants to help them achieve their goals. We focus on forming relationships with our merchants to learn about their unique needs and deliver value-added services that grow their business."

About BluePay: BluePay is a leading provider of technology-enabled payment processing for enterprise, small, and medium-sized businesses in the United States and Canada. Through physical POS, online, mobile interfaces, and software integration, BluePay processes business-to-consumer and business-to-business payments while providing real-time settlement, reporting, and reconciliation, along with robust security features such as tokenization and point-to-point encryption. BluePay is headquartered in Naperville, Illinois, with offices in Chicago, New York and Toronto.
