Bill Cosby accuser Judy Huth has retained famed California lawyer Gloria Allred to represent her in yet another lawsuit against the comic who now defends more than a dozen legal attacks against him, reported [The New York Daily News](#) on Tuesday, May 19, 2015 Allred will be replacing Huth's former lawyer Marc Strecker, who filed a sexual battery action on Huth's behalf against Cosby last December. Huth claims Cosby molested her in a bedroom of the Playboy Mansion in Los Angeles in 1974, when she was 15 years old.

Because Huth was a minor at the time of the alleged assault it is not barred by a statute of limitations. The suit will undoubtedly be hotly contested by Cosby.

"In these cases that rest on witness testimony and a battles of 'he said versus she said' the advantage of hiring an experienced private investigator who can uncover the truth and then reliably testify about his or her findings in court is huge. I have to say that nothing trumps experience in these cases," says John A. DeMarr, P.I., a licensed California private investigator since 1985 and president of John A DeMarr Private Investigators. "Our 30 years of experience make all the difference in the level of service and the innovative approaches we can offer our clients. Our proven expertise results in a positive outcome where other private investigation firms often fail."

John A. DeMarr, a private investigator in Huntington Beach since 1988, has consistently provided innovative process service and private investigation services over thirty years of experience – always reasonably priced, and always within the bounds of applicable law. Courts have upheld DeMarr's techniques, resulting in the successful jury verdicts, case settlements as well as subpoena service and post-judgment enforcement results against deadbeat parents, defendants evading service of process, residents of gated communities, corporations and partnerships, difficult to locate unfaithful spouses and others.

John A. DeMarr, P.I.'s expertise provides important new tools for creditors owed money; for financial institutions and insurance companies; and, perhaps most importantly, to injured plaintiffs across the globe.
