

We An-Ser Communications is Proud Sponsor of Medicine Hat Minor Hockey

We An-Ser Communications is a proud to announce that they have just become a sponsor for Medicine Hat Minor Hockey.

REGINA, SK, CANADA, July 31, 2015 /EINPresswire.com/ -- We An-Ser Communications is a proud to announce that they have just become a sponsor for Medicine Hat Minor Hockey. The communications company from Calgary has just joined several other sponsors in the Medicine Hat area to support this minor hockey association. Sponsorship helps the MHMHA continue developing teams and young players in a well-loved Canadian sport. We An-Ser Communications is proud to be part of such a worthy establishment in its continuing focus on building community.

Like the MHMHA, We An-Ser Communications values integrity, teamwork, accountability, honour and having a solid work ethic and the right attitude. While these values are recognized in the MHMHA and expected of the players that play within this organization, they are also values for the communications company based out of Regina, Saskatchewan.

Sports introduce a variety of situations and opportunities for the youth of Canada. They help them grow and develop lifelong skills that will help them in various pursuits as adults, even if they never pursue a career in sports. The purpose and vision for MHMHA is to develop leaders within the community through the sport of hockey. We An-Ser Communications is proud to be part of that effort as a new sponsor.

"It costs money for these worthy organizations to accomplish their purposes as they impact the lives of today's youth," said Ashley Maszaros of We An-Ser Communications. "We are proud to be a part of that challenge and to work with an organization that exhibits so many of the values that we esteem."

The MHMHA includes 11 divisions with tournaments that teams can enter, beginning in the fall of 2015. Businesses and individuals can sponsor the organization in one of four levels, including Platinum, Gold, Silver and Bronze and be recognized for their contributions.

We An-Ser Communications is a [call centre company in Calgary](#) and other nearby areas that provides services for small, medium and large businesses in many industries, including gas and oil, medical and property management. The company provides [communications services](#) anywhere from a few hours a day to a full 24 hours, depending on the needs of the company.

In addition to its service as a call centre, We An-Ser Communications also provides monitoring and

We An-Ser Communications provides award winning call center services in Calgary, dispatching, medical answering services, man down services, lone worker support, wireless panic services and more. They service the North American market.

journey management for organizations that need facilities monitored or lone workers out on remote job sites. The company operates several local offices to provide exceptional customer service for the businesses they serve.
