

SAPinsider's Financials Singapore 2015: P2P-process scenarios by WMD and I.R.I.S.

WMD is sponsor of the annual SAPinsider's Financials Singapore, Asia's fastest growing annual event for SAP professionals, on September 1- 3, 2015

018971 SINGAPORE, SINGAPORE, August 4, 2015 /EINPresswire.com/ -- At the event, WMD Asia and its partner I.R.I.S will show a complete P2P-process scenario based on the WMD xSuite for SAP.

Financials 2015 provides comprehensive education and networking opportunities for professionals, who use, evaluate, deploy, and support SAP functionality for financial accounting, control, planning, consolidation, closings, and reporting. On booth #605, visitors can find out how to push their overall business performance with WMD's best-practice solutions. I.R.I.S. adds value to the solutions by providing an OCR-engine which enables WMD to process invoices in more than 180 languages, incl. Chinese, Japanese, Korean etc. The xSuite for SAP comprises various modules for individual areas of application, which can be connected to form continuous processes such as Procure to Pay (ordering and payment) or Order to Cash (orders and receipt of payment).

WMD (Workflow Management & Document Consulting) is an SAP Software Solution and Technology Partner and one of the leading German software developing companies in the area of workflow and document management. The WMD xSuite product family is a generic solution based on the SAP standard that automatically maps document-based processes to SAP. The foundation is a workflow system (xFlow) with an engine that can operate different applications in an organization. The best practice approach is based on WMD's experience gained from implementing the solution not only in Europe but in almost all Asian countries including India, Malaysia, Singapore, Thailand, Cambodia, Philippines, Indonesia, China, Japan etc.
