

Tenerife Dream Honeymoon Contest Launches Today

Tenerife Tourism Bureau Announces Free Honeymoon Giveaway Contest to Tenerife

NEWTON, MA, USA, August 7, 2015 /EINPresswire.com/ -- The Tenerife Tourism Bureau (www.adventureontenerife.com) and their US travel operator Quest Travel Adventures announced today they're awarding a free honeymoon to one lucky couple via a social media video contest. The grand prize is a 9-day package, touring the beautiful [island of Tenerife](#) in the Canary Islands, including flights, 5-star hotel accommodations, various excursions, and airport transfers.

To enter the [Tenerife Dream Honeymoon Contest](#), newlyweds submit a video by September 1, 2015 at <http://www.adventureontenerife.com/win-free-honeymoon> explaining why they would love to have their honeymoon in Tenerife. Additionally contestants can post their video to Instagram, Facebook or Twitter and tag the update with #tenerifehoneymoon. The winner will be chosen by popular vote in September 2015.

"Tenerife is the perfect destination for honeymooners," said Quest Travel Adventures Managing Director Rachael Lewis. "The weather is perfect year round and the island has so much to offer from culture, outdoor and nature activities, superb gastronomy and wine, and a great selection of five-star accommodations. My favorites include stargazing atop UNESCO World Heritage site Mt. Teide, wine tasting, whale and dolphin watching, laying out on the black sand beaches, and enjoying the delicious Canarian cuisine."

Some of the highlights of the lucky couple's Tenerife itinerary include a tour of Tenerife's capital Santa Cruz and La Laguna for world class shopping and sightseeing, a whale watch to spot non-migratory bottlenose dolphins, pilot whales, and 21 other marine species that are unique to this area, and a vineyard tour to sample local wine. Additionally, the honeymooners will spend an evening under the stars at Las Canadas National Park, home to Mt. Teide. This park is characterized by its unique lunar landscape, flora, and fauna, seen nowhere else on earth. Declared a UNESCO World Heritage Site in 2007, Mt. Teide is an iconic attraction and a must-see for visitors. Tenerife is one of the best locations on the planet for stargazing because of its clear dark skies, low light pollution and high altitude.
