Join the Arabian Heroes in their battle to save the world!

In the beautiful Arabic desert one day everything changed – an evil sorcerer released his corrupted crows to invade the planet. Hopefully the Arabian Heroes family is there to protect and have unlimited supply of jelly to shoot the crows. But they are coming from everywhere and are harder to defeat!

Until now the Arabian Heroes receive the help from their friends the white crows, who bring them coins to help in upgrading with accessories and make them stronger.

The Arabian Heroes travel the worlds that are about to be destroyed. Although they fight hard, they need more people to join them. They won't stand for long!
