

Back to School with the Golden Rule

Golden Rule Marble™ is a great gift for teachers, students, family, clients, vendors or employees.

CLEVELAND, OHIO, UNITED STATES, August 12, 2015 /EINPresswire.com/ -- (Cleveland, OH) Our mothers have been telling us for ages: “do unto others as you would have them do unto you”. It’s the [Golden Rule](#), one of the most widely-known, most attempted and often failed moral teachings. Thanks to the new [Golden Rule Marble™](#), we may all move that much closer to accomplishing this widely embraced goal.

Available in eleven tiger-eye acrylic colors, the Golden Rule Marble is delicately inscribed with the Golden Rule on a brass ring encircling the sphere. Each one-inch marble comes with a small, double-sided pamphlet transcribed with the overarching message of the rule, all neatly folded into a clear, acrylic box, making it perfect for personal and corporate gifts. The goal of

The Golden Rule Marble - gift set with acrylic box and pamphlet enclosure

the gift is to serve as a reminder for all who receive it – family, friends, customers or employees – to make personal and professional decisions in light of this great advice.

Do you try to practice the Golden Rule in your daily life or your business? (We hope it’s both.) Do you think it’s important to your success? If so, we welcome you to join us in promoting or selling the Golden Rule Marble. Be part of a group of people who believe that treating others with consideration is the only way.

“

“We succeed only when we provide our clients a top quality golden rule marble product, designed to inspire reciprocity and kindness in all who encounter it and make a meaningful difference”.
