

The Premier International Diaspora Social Media Platform (DiasporaEngager) is Growing Very Well

The world's #1 immigrant and diaspora platform helps to find and engage with people and opportunities for job, development, education, business opportunities...

WASHINGTON DC, USA, August 19, 2015 /EINPresswire.com/ -- A few years ago, the first [international social media platform](http://DiasporaEngager.com) (DiasporaEngager.com) that connects the diasporas to each other and to opportunities with governments, nonprofits, businesses, laboratories, international institutions, schools, and research institutions was launched by DiasporaEngager. Today, we are honored to report that the platform is growing very well and is being used in more than 100 countries. To view the world's #1 [map of the international diasporas](http://DiasporaEngager.com/map) and their stakeholders, please visit diasporaengager.com/map.

While the term Diaspora is commonly defined as a person living in a country or town separate from his or her place of origin or ancestry, in our context, it refers to any human being. DiasporaEngager connects the global Diaspora to people and organizations in both home and host countries, providing a common platform for disclosing the availability of any needs and offers for resources locally or worldwide. The platform benefits a number of entities, examples of which include, but are not limited to associations, networks, businesses, consultants and consulting firms, government agencies, immigrants, Diaspora associations, travelers, research institutes, laboratories, non-

African Immigrants and Diaspora Offer Many Opportunities for Business and Development on DiasporaEngager.com/Africa

Immigration and life abroad is not always easy for immigrants in America, Europe, Asia, or Africa. www.DiasporaEngager.com can help.

profit organizations, philanthropists and donors, recruiting agencies, professionals, retired persons, sales persons, educational institutions, faculty and staff members, students, travel agencies, the unemployed, and volunteers. The platform applies to all diaspora associations including African Diaspora (DiasporaEngager.com/Africa), Asian Diaspora (DiasporaEngager.com/Asian), American Diaspora (DiasporaEngager.com/American), European Diaspora or Immigrants (DiasporaEngager.com/European), etc.

The diaspora platform also has a blog (DiasporasNews.com) that publishes contents related to the global diaspora

International Development and Volunteering Opportunities Exist on the Immigrant Platform - Visit DiasporaEngager.com/extPage/Volunteer

and to people who are living in their country of origin and who have never moved. On the platform, free resources are available for diaspora engagement: business development, career development, education, research, science, fundraising, consulting and much more

(DiasporaEngager.com/ResourcesAll). Those resources are categorized by country, continent, areas of interest and other criteria. Partnership and collaborative opportunities are also available and you are welcome to contact DiasporaEngager (DiasporaEngager.com/contact) to explore them, in order to use this unique platform to address some of the local and international problems or challenges associated with the global diaspora engagement and the development of their nations (e.g. brain drain, diaspora investment, work abroad, business opportunities, diaspora return to home country, diaspora/immigrant integration, global governance, refugee assistance, and diaspora studies/research). Advertising opportunities exit on the platform. DiasporaEngager's experts can help you to speak at an event on topics related to development, immigration, diaspora, etc. (DiasporaEngager.com/extPage/speak).

DiasporaEngager was founded by Dr. Roland Holou (RolandHolou.com), a dual citizen of the USA and Benin Republic (West Africa). Roland Holou is a scientist, a businessman, a published author, and an international consultant. Prior to founding DiasporaEngager, he worked as a Biotechnology Research Scientist in the USA. He also chaired several international organizations. Roland authored several books related to leadership, education, development, politics, sociology, and economics including the biography of the famous Prof Brice Augustin Sinsin (BriceSinsin.com). His areas of expertise are agribusiness, biotechnology, diaspora engagement, Africa development, plant biology, genetics, physiology, rangeland management, soil science, microbiology, entomology, biochemistry, ecology, and statistics. Roland Holou obtained his Bachelor Degree in Agronomy and his Master of Science Degree in Agricultural Engineering at the University of Abomey Calavi in Benin. He has a Ph.D. in Plant, Insect and Microbial Sciences at the University of Missouri (USA) where he graduated as the Doctoral Marshal (first of his class). Throughout his career, Roland Holou has won many awards and honors including: "Outstanding Intellectuals of the 21st Century Awards" (United Kingdom), "National Association of Distinguished Professionals" (USA), and "Top Ranked U.S. Executive Award", Who's Who in the World, Who's Who in America, and Cambridge Who's Who among Executives, Professionals and Entrepreneurs. Roland Holou is available for interviews, conferences, and consultations related to his expertise, including diaspora engagement and brain drain management.
