

Mobile application for agricultural producers in Croatia finally available!

Agroklub.com - daily news for farmers and agricultural producers in Balkan region is now available on mobile application on AppStore and Google Play!

OSIJEK, CROATIA, August 19, 2015 /EINPresswire.com/ -- Agroklub.com is the largest agricultural web portal in Balkan region. We are providing fresh news about farming, fruit and vegetable producing, fishing and many other subjects that all farmers are interested in.

If you want to be informed about news

from agriculture at any time, you should download our Agroklub mobile app. We have created mobile app for Iphone and Android users, which is fully compatible for usage on mobile and tablet devices.

From now on, all the latest news from Agroklub agricultural web portal you can find on the mobile app. Also, all the comments from the users are available and you can share the content to all the popular social networks.

You can download the app from iTunes [AppStore](#) and [Google Play](#).
