

Discount My Flights Finds Lowest Airfares for Americans - Flight Deals Website Now Live in the U.S.

Discount My Flights Group Inc. has launched its first flight deals search tool designed specifically for the American traveler.

WALNUT, CALIFORNIA, USA, August 20, 2015 /EINPresswire.com/ -- [Discount My Flights](#) Group Inc. has launched its first flight deals search tool designed specifically for the American traveler. From its website at [DiscountMyFlights.com](#), budget-conscious travelers will now have a US-based flight aggregating search tool to find the lowest fares and the best flight deals online. The U.S. expansion follows successful launches in international markets including Canada, the United Kingdom, and Australia.

DiscountMyFlights.com searches over 400 international airlines and over five million flight deals daily to bring online travel searchers the best deals available for thousands of domestic and international destinations. The U.S. site also features interactive maps, detailed route information, as well as suggested variations on other popular routes to and from your originating city.

[Discount My Flights](#) Group Marketing Director, Don Power, says that with an improving U.S. economy more and more Americans are taking the opportunity to travel. "Our U.S. based search tool allows American travelers' budgets to go much further because we specialize in discount airfares specifically for Americans – often finding deals at up to 67% off the regular price."

About [Discount My Flights](#)

Discount My Flights was founded in 2015 with the goal of helping American travelers find the best flight deals available anywhere. Discount My Flights works with hundreds of partners including travel agencies, airlines and global distribution systems to compile a complete list of all flight options for every route possible.
