

Carol Look, author of *Attracting Abundance with EFT*, to be Featured on CUTV News Radio

NEW YORK, NEW YORK, USA, August 21, 2015 /EINPresswire.com/ -- What's the upside of staying stuck? What's the downside of moving forward? If we can't speak directly to the part ourselves that is afraid to change, we're not going to make any progress. Our fears prevent us from wanting to be our best self and find success in our lives.

But you can have the success you dream about. All it takes is releasing your fears so you can make clear decisions about what to do next.

Carol Look is an Intuitive Energy Healer and the creator of The Yes Code, her signature coaching method to help you clear your fears, find your "yes" and use the power of gratitude to create a life you love.

"I help people stop sabotaging themselves, stop procrastinating and stop getting in their own way," says Carol. "My clients are people who know there is another way. They're not beginners. They've gotten pretty far on their own. They know they can shine and be their best but they've hit a roadblock. My job is to

help them understand I'm there for them, I'm on their team and I'll give them the tools they need to make changes."

Originally trained as a psychotherapist, today Carol is a certified master of Emotional Freedom Technique, or EFT, a revolutionary method to help people ease the fears, feelings and beliefs that sabotage success and abundance. Carol says this work is meaningful to her because she's been where her clients have been.

"I used to sabotage myself with procrastination because I was afraid of failure and success at the same time. Using these techniques I was able to help myself," says Carol.

Carol Look is the author of *Attracting Abundance with EFT*, which combines the simplicity of EFT, the fun of Abundance Games and the power of the Law of Attraction to help readers enhance their financial abundance. The book offers more than 45 different EFT Exercises to release blocks or limiting beliefs and attract what you want in life.

"I feel inspired to help others because I know it's possible to live an abundant life," says Carol. "I help people trust their intuition and 'find their yes' every day."

CUTV News Radio will feature Carol Look in an interview with Doug Llewelyn on August 25th at 12pm EST.
