

AdPlotter LLC Launches Amazing Classified Ad Posting Engine

*Unique and Innovative Technology
Facilitates Simultaneous Ad Placement
on 400+ Ad Sites*

SAN ANTONIO, TX, USA, August 25, 2015 /EINPresswire.com/ -- AdPlotter, LLC, an emerging technology company providing solutions for on-line advertising, launches its unique [classified ad posting engine](#) useful for entrepreneurs, ecommerce marketers, major corporations, and companies of all sizes. The primary product, AdPlotter, facilitates the creation of a classified ad, and then simultaneously posts the ad to 400+ classified sites, including EBay Classifieds, Craigslist, Backpage, Classifieds Ads, OLX, and hundreds of other sites. AdPlotter has been in development for several years, and has been heavily tested through an affiliate network of marketers around the world.

“This is a monumental day in the history of our company” said Joel Saucedo, CEO and Co-Founder of AdPlotter LLC. “Our vision of maximizing value and exposure for money spent on advertising for small entrepreneurs as well as major corporations is now a reality. The efforts of our development team, coupled with rigorous product testing with respect to pricing, ease of use, and processing power, have confirmed a singular opportunity for the exponential growth of AdPlotter.”

*Joel Saucedo, CEO &
Founder, AdPlotter LLC*

Anticipated market niches for AdPlotter include:

- All on-line sellers looking to increase their market reach without the time-consuming task of posting to multiple sites.
- On-line websites and web stores seeking additional channels for product demand who can take advantage of the [“backlinks” feature of AdPlotter](#) for the majority of the 400+ sites. This means that a client URL can be included in the ad.
- Corporations and membership/affiliate organizations trying to standardize ad segmentation and presentation to support and

maximize recruitment, product and service sales, and other common marketing themes.

About AdPlotter:

AdPlotter LLC is a wholly-owned subsidiary of JB Internet Holdings, Inc. (JBI) which was founded in 2004 by Joel Saucedo and Brad Harris with headquarters in San Antonio, TX. JBI has been engaged in the [direct marketing industry](#) for over ten years, while the two principals have been involved in online marketing for 21 years. Another subsidiary of JBI, BigValueDepot.com (BVD), launched in 2012 as a web store/portal for online marketing. AdPlotter was initially developed as an internal marketing tool for BVD to expand its market reach and demand for its products and services. From those synergies came the vision for enhancing this unique solution for all businesses. AdPlotter will grow its market footprint through intense database and social media campaigns, as well as through its Elite 300 affiliate group of resellers who have been an integral part of the company's growth to date.
