

# PlayScreen launches Automotive Trivia Game for iOS

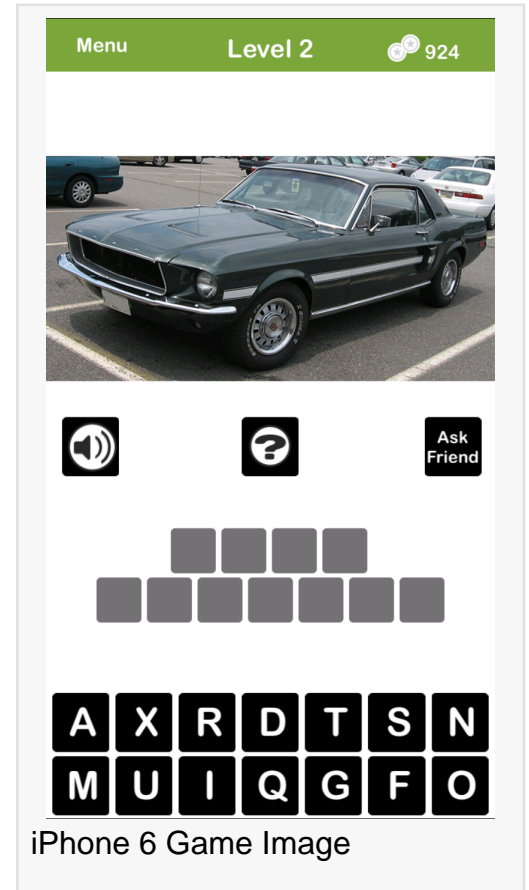

*"What's The Car" challenges players to recognize over 100 automobiles*

BALTIMORE, MD, USA, August 24, 2015 /EINPresswire.com/ -- BALTIMORE -- August 24th, 2015 -- PlayScreen, LLC has launched "What's The Car" a free photo trivia game for iPhone and iPad. "What's The Car" challenges players to recognize over 100 automobiles, from common to classics. "What's The Car" can be downloaded from the Apple App Store.

"What's The Car" features a simple interface, text hints, "ask a friend" and the ability to share your achievements on social networks.

In "What's The Car", players identify automobiles from their picture. There are over 100 questions in total to test anyone's automotive knowledge. Chevy, Mercedes, VW, Fiat MG ... they're all in the game.

Hints are always available. The game's proven gameplay and features were derived from PlayScreen's well loved Stick Figure Movie Trivia, which has achieved a 4.5 star rating in the Apple App Store.

"We designed 'What's The Car' to be challenging and fun" says William Volk, CCO, PlayScreen, a veteran in educational software and video games. "There are cars you see everyday, exotics and classics you may have not seen in years" Volk added.

Features:

- \* No registration required. Start playing instantly.
- \* Interface and display crafted for all models of iPhone and iPad.
- \* Created by a team with over 15 years of mobile game experience.
- \* Text hints provide interesting trivia for every automobile.
- \* Celebrate your automotive knowledge with your social network.

"What's The Car" can be downloaded for free on the Apple App Store.
