

Love is in the air as Nevis revs up romance

Symposium To Guide Nevis' Romance Marketing

NEW YORK, NEW YORK, USA, August 24, 2015 /EINPresswire.com/ -- NEW YORK, New York - When people think of Nevis, they often associate it with unparalleled hospitality, natural beauty, and one of the most romantic and secluded getaway locations in the world. But this October from the 19th to the 23rd, Nevis will be anything but secluded as the Nevis Tourism Authority hosts the Nevis Travel Symposium with this year's focus on Romance in Nevis in conjunction with Dreamy Weddings and Tours (<http://www.dreamyweddings.com/our-destinations/st-kitts-nevis.html>).

As a jewel of the Caribbean, it's only fitting that headliners such as Nancy Barkley, Natalie John, Keith Powell and

Paula McCrory will be presenting during the symposium. The Nevis Tourism Authority (NTA) has done a fabulous job gathering some of the industry's finest to present on subjects from wedding planning, honeymoons and get-a-ways, and social media marketing and taste influencing. Each speaker possesses years of professional experience, numerous accolades and real-world insights that they are ready and willing to share.

During the Symposium, the speakers will also address how and why Nevis is the perfect place for anyone considering a romantic escape. Topics to be discussed include: the ease of hosting destination weddings on Nevis, the hottest destinations for couples seeking elegance and romance, and pinpointing the most picturesque locations.

In addition attendees will gain invaluable insight and engage in stimulating conversations with some of the industry's top gurus. They will have day-long opportunities to network with vendors and build relationships with the island's tourism representatives.

Finally, attendees will gain hands-on knowledge and expertise in the Nevis brand necessary to prepare them as certified Nevis Romance Specialists.

If there is one event that should be on your calendar for October, it is the Nevis Travel Symposium.
