DUBLIN, OHIO, UNITED STATES, August 25, 2015 /EINPresswire.com/ -- Smith's VFG Agency Helps Local Businesses Dominate

PRESS RELEASE: Dublin OH Smith's VFG Agency and founder Mark Smith are pleased to announce the launch of a firm dedicated to gaining new customers in local markets. The company has professional and experienced staff that knows how to work with clients to bring new customers to the business. The latest and most effective methods are used to ensure that the client's business grows.

Optimization of client websites is a primary step. The goal is to get the website ranked and seen by search engines. When prospective customers search for a particular service, the client's website shows up on the search, thanks to the revamping or building of the web pages using the tools provided by Smith's VFG. Next, lead generation sites are created, exclusive to the specific type of business. This practice avoids competition with multiple other businesses for the same customer base.

The sites created by Smith's VFG Agency are mobile-friendly. Potential customers can use their tablets, smartphones or other mobile devices to easily view the site and access the information which is needed.

The firm's specialty is businesses the go to people's homes. The reason is because in any local area, people search for services needed in the home on the internet and the agency get them to call businesses they are partnered with

In a recent interview, Mark Smith promised, "We get you customers. We give you a responsive website which will find new customers on the internet by any and all means necessary."

Customer generation methods include SEO or search engine optimization, links or back-links, internet marketing, social media, citations, content rich material, page rank boost and website development. The agency wants clients to have a positive experience in gaining new and loyal customers without spending a fortune.

Customers get a 20% discount for mentioning this press release or a 40% discount of a press release mention, a website link and 2 business referrals.
