

Discover the Hidden Treasures of Europe at Eton Institute's European Day of Languages

Eton Institute will celebrate its 9th European Day of Languages by uncovering Europe's hidden treasures.

NEW YORK CITY, NEW YORK, UNITED STATES, September 3, 2015 /EINPresswire.com/ -- – With its theme “Discover the Hidden Treasures of Europe”, Eton Institute’s most awaited European Day of Languages will take place on 24th September 2015, encouraging language enthusiasts to interact with one another from across the UAE and all over the world.

First organized by the Council of Europe in 2001 as part of the European Year of Languages initiative, European Day of Languages is Eton Institute’s way of commemorating the continent’s diversity in language and culture to highlight the benefits of language learning.

Eton Institute, a leading international language and professional development training provider, taps into the unique location of the NYC as a home to more than 100 nationalities sharing cultures among tourists and residents.

Career opportunities, lifestyle, and non-resident tax status are some of the reasons why European expats settle in the NYC, making it one of the popular expat destinations alongside Australia, Hong Kong, UAE and South Africa.

“The European Day of Languages is a great event to learn about the wide array of European languages and the benefits of language learning, celebrating the UAE’s cultural diversity and the love of languages,” said Moaz Khan, Marketing Director at Eton Institute. “The event is a perfect opportunity to socialize and meet people, while gaining an insight from native speakers into countries they may be travelling to in the future,” he added.

Eton Institute has partnered with restaurants and organizations that share the same vision of celebrating Europe and bringing its extremely rich heritage to the NYC community. The free event will start at 6:30 pm to 9:00 pm in Eton Institute New York City.

Aside from the exciting activities and presentations, Eton Institute will offer massive discounts on all European language courses booked on the day from 8:00am to 9:00pm at the Institute, as well as a 24-hour online sale.

To register at Eton Institute’s European Day of Languages, visit <http://americas.etoninstitute.com/>.
