

Love Coach Lynn Goodacre to be Featured on CUTV News Radio

VICTORIA, BRITISH COLUMBIA, CANADA, September 7, 2015 /EINPresswire.com/ -- The person you're searching for is searching for you. Be yourself so they can find you.

Love Coach Lynn specializes in working with singles who are looking for love.

"Be true to yourself, find the beloved in yourself and have the willingness to be authentically who you are. That's the only way your ideal partner will recognize you," says Lynn.

Lynn says her clients are typically highly educated with great careers; they just haven't found the loving relationships they are looking for. This is often due to a lack of clarity about who they are, what they want and what is getting in the way of finding love. This is what makes working with a coach so helpful.

"I support my clients in discovering and exploring their life purpose, their values, their goals, their dreams," says Lynn. "I help them recognize and address unconscious limiting thoughts, beliefs and behaviours that get in the way of loving relationships."

Dating can be very frustrating and discouraging. Now, more than ever, it's easy to meet people but it can take a lot of work to find a suitable partner. When you are clear on who you are and what you want, you can screen potential partners quickly without investing a lot of time and energy in dead-end relationships.

"My goal is to bring more love into the world," says Lynn. "It breaks my heart to see such high divorce rates and to know how many people are suffering in relationships. My greatest joy is to help singles make great relationship choices so they have lasting, fulfilling love."
