

EvaLine Jewelry Elegant Bronze Earrings an Enchanting Addition to GBK's Primetime Emmys Swag Bags

EvaLine Jewelry's Elegant Bronze Earrings will be gifted to the press at GBK's Pre-Primetime Emmys Gift Lounge, taking place September 18-19 in Beverly Hills.

COLORADO SPRINGS, CO, USA, September 8, 2015 /EINPresswire.com/ -- Evelina Stoyanova, owner of wardrobe stylist favorite EvaLine Jewelry (<http://www.evalinejewelry.com>), will gift her individually handcrafted [Elegant Bronze Earrings](#) to members of the press and media attending GBK's 2015 Primetime Emmys Luxury Gift Lounge, in association with California-based The Artisan Group®. The gift lounge takes place September 18-19, 2015 at an exclusive location in Beverly Hills, California.

The gifted earrings feature richly textured bronze triangles accented with black Swarovski crystals. "These earrings are understated enough for the office yet have enough panache to work for dressier occasions as well," remarked Evelina. "I'm a fan of that ageless combination of black and gold, and enjoy pairing these beauties with everything from a neutral blazer to a little black dress."

Evelina creates each earring in her signature technique, which involves the use of high-tech bronze metal clay. The clay, once sculpted and textured, is fired at high temperature to produce a piece of solid bronze, which Evelina then embellishes and polishes to perfection.

The Elegant Bronze Earrings measure 2 inches long by a little over ½ inch wide. They are available to custom order at EvaLineJewelry.com, and retail for \$26.80.

Evelina's collections tend to reflect her Bulgarian background and an overall European aesthetic, which favors smaller-scale pieces that are feminine and classy. "After many years of designing jewelry, I find that my best results come when I create jewelry that I would enjoy wearing," Evelina states.

Evelina's jewelry has been selected by Hollywood wardrobe stylists for use on numerous television shows, including [The Originals](#), [Bones](#), [Law and Order](#), [Cedar Cove](#), [Chasing Life](#) and [The Vampire Diaries](#). In 2014, her Monogrammed Initial Pendants were included in an exclusive Mother's Day gift bag prepared by The Artisan Group for some of Hollywood's most talked about Moms and Moms-to-Be, including Alicia Silverstone, Jennifer Love Hewitt, Halle Berry, Gwen Stefani, Kerry Washington, Alyssa Milano, Emily Blunt, Kelly Clarkson, Ginnifer Goodwin, Christina Aguilera and Scarlett Johansson, among others.

Other popular products from EvaLine Jewelry include her sterling silver, lever-back style

children's earrings and her Tree of Life pendants. "The Tree of Life symbol appeals to my customers for its representation of wisdom, protection, strength, bounty, beauty and redemption," remarked the designer. "It also signifies growth."

Evelina originally hails from Bulgaria. She is a mom-preneur with a Master's Degree in Physics and has been creative since childhood. She relates, "I started petite-point stitching when I was 12. I was watching my mother stitch and I made some stitches in her work while she took a restroom break. She didn't even notice, so I asked for a project to work on alone." Evelina began creating and designing jewelry after a move to Colorado from Arizona left her looking for a new diversion. Today, she is an established jewelry designer, with work in several boutiques and galleries.
