Prices for raw lyophilized powder start at only 19p (British pence £0.19) per milligram in reseller quantities of only 10 grams and single vials of only 50mg are also available.

The Longevity Revolution also offers the peptide in some other ready made encapsulated products and formulas for their members in single bottles at [www.21stcenturyalternatives.com/ocart](http://www.21stcenturyalternatives.com/ocart) or to registered resellers in mixes of 12 products upwards at [www.21stcenturyalternatives.com/ocart/resellers](http://www.21stcenturyalternatives.com/ocart/resellers)

They can also offer practitioners their own custom formulas and brand names with a minimum order of only 200 bottles at competitive reseller prices.

Other websites they have recently launched include [www.scientificlongevityformula.com](http://www.scientificlongevityformula.com) and [www.the-longevityrevolution.tv](http://www.the-longevityrevolution.tv) where there are hundreds of videos that help to explain the history of serious [scientific longevity](http://www.scientificlongevity.com) research.
