Our company founders Ryan McCoy and Ryan Williams took incredible risks and spent many sleepless nights getting this business started. Their vision and innovations still inspire and propel our growth."

> Daniel A. Nelson, CEO of Partner Fusion

tech companies. The UV50 rankings honored "game changers" in business: 30 fastest growing companies, 10 economic engines and 10 startups to watch. Winning businesses were ranked based on a percentage growth over the three-year period from 2012-2014, according to the Utah Valley magazine.

Founded in 2007, Partner Fusion is a leading innovation and technology incubator. Using its proprietary technology platform, it has helped startup teams create sustainable businesses in a variety of markets. It has been recognized for its marketing platform, data science, and comprehensive search and marketing strategies. One of its companies, <u>TravelPASS Group</u>, is a leading company in the travel industry

with more than 10,000 hotel room nights booked daily and annual sales reaching more than \$350 million.

Partner Fusion also has been ranked among the top 10 fastest growing companies in Utah by Utah Business magazine.

"We're honored to be recognized among so many admired and successful companies," said Daniel Nelson, Partner Fusion CEO. "Our company founders Ryan McCoy and Ryan Williams and their families took incredible risks and spent many sleepless nights getting this business started. Their vision and innovations still inspire and propel our growth."

"Today, we are becoming widely recognized as a leading technology and marketing partner for some of the world's largest brands, especially in the travel industry," he said.
