

# Claire Langlois of Clearly Love is The Way to be Featured on CUTV News Radio

MONCTON, NEW BRUNSWICK, CANADA, September 18, 2015 /EINPresswire.com/ -- Many of us suffer from physical and emotional pain that seems to have no explanation. We've tried anything and everything to resolve these issues yet still they remain. What is the cause of this imbalance?

Claire Langlois is a facilitator in designing your life. As a certified Emotion Code and Body Code practitioner and the founder of Clearly Love is the Way, Claire is dedicated to offering deep balance to individuals so they can more effectively navigate transition and eliminate the static from their lives. According to Claire, the best means of achieving the peace we all seek is through love.

"I say 'clearly' love is the way because love is the essence of who we are," says Claire. "Love allows us to experience life; it opens us up to all there is."

Prior to establishing Clearly Love is the Way, Claire worked and taught as an interior designer. She has since transferred her knowledge of interior design from spaces where people live in to their most intimate space, their heart. Helping her clients to reach a place where positive energy can flow

through them in a more meaningful way, allows them to elevate their potential and design a life that's best for them.

"We honor what is there that works for you and let go of what is not supporting who you are and your intentions. New arrangements become possible in a way that allows for better energetic flow," says Claire. "This is about not looking for the answer from someone or something external but rather finding the answers from within you."

“

Love is the essence of who we are. Love allows us to experience life. It opens us to all there is.

Still, Claire says her clients have to recognize the way energy, both positive and negative, can affect their lives. We are co-creators of our reality so we must be mindful of our manifestations. As an Emotion Code and Body Code

practitioner, Claire connects to her clients' subconscious to identify and clear the contributing factors of their pain, discomfort or misunderstanding. With an open and clearer path to be our authentic self, we can realize and manifest what we truly desire in our life.

"I'm most proud of my ability to use my intuition in balancing people energy," says Claire. "It's fun to let

things happen. Release our fear and replace it with love.”

CUTV News Radio will feature Claire Langlois in an interview with Doug Llewelyn on September 22nd at 1pm EST.
